SUBJECT: STATEMENT OF INVESTMENT POLICY

EXECUTIVE DIRECTOR'S APPROVAL:

RECOMMENDED ACTION:

Recommend that the Administration Committee adopt SCAG's new statement of investment policy.

BACKGROUND:

California Government Code Section 53646 (a) (2) states that local agencies, other than counties, may annually render to their legislative body and any oversight committee, a statement of investment policy. This policy must be considered at a public meeting.

An effective investment policy not only provides a level of accountability for investment officials, but also promotes a greater degree of public trust in the investment process. It should be periodically reviewed. At this time, several changes are being proposed in order to reflect new titles, new investment vehicle needs, and to comply with state law.

(1) Section 8, Authorized Investments

- a. The new language specifically authorizes investments made pursuant to California Government Code 53601 (o): *Shares of Beneficial Interest issued by a Joint Powers Authority organized pursuant to California Government Code Section 6509.7 that invests in the securities and obligations authorized in Section 53601 (a) through (n).*
- b. Added paragraph "B", "Other Post-Employment Benefits Funding" to permit the use of CalPERS' Retiree Benefit Trust Fund for prefunding retiree medical benefits.
- c. Added paragraph "C", "Supplemental Defined Benefit Pension Rate Plan Funding" to require that this benefit be funded with an annuity, as approved by the RC on July 12, 2007.

(2) Various Sections

Responsible persons have been identified using current titles. Clarifying language has been added where needed.
